Pardee School of Global Studies at Boston University and the United Nations Conference on Trade and Development (UNCTAD); Boston, MA, 12 October 2016.

"From Rising to Stumbling Powers?: The Developing World During the Global Financial Crisis," presentation to the Denver Association of Business Economists, University of Denver Business School, Denver, CO, April 20, 2016.

"Post-Crisis Experiments in Development Finance Architectures: A Hirschmanian Perspective on 'Productive Incoherence,'" presentation at the Center for International Policy Studies/International Political Economy Network, University of Ottawa, Ottawa, Canada, April 7, 2016.

"Capital Controls in a Time of Crisis," presentation at the conference on "Financial Liberalisation: Past, Present, and Future," St. Catharine's College, Cambridge University, March 31, 2016, and at a special session on "Financial Liberalisation" at the "13th International Conference Developments in Economic Theory and Policy," University of the Basque Country, 23-4 June 2016.

"Capital Controls and Policy Space in a Time of Crisis," presentation at a panel on "Finance, Politics, and Culture," at a session of the 15th World Congress on Social Economics, Brock University, St. Catherine's, Canada, June 23, 2015; panel on "The Political Economy of Capital Flows, Capital Controls and Central Bank Policy in a Global and Historical Perspective," at a session of URPE at the ASSA conference, San Francisco, January 3, 2016.

"The Rebranding of Capital Controls in an Era of Productive Incoherence," guest lecture at Harvard Law School, course in "Money, Governance, and Globalization" (Professor Christine Desan), April 10, 2015.

"Post-crisis experiments in development finance architectures: A Hirschmanian Perspective," presentation at the panel on "Finance, ethics, and the great recession," at a session of the Association for Social Economics at the annual Allied Social Sciences Association conference, Boston, MA, January 2-5, 2015.

"Economic crisis, political opportunity? The rise of developmental financial architectures in the post-crisis period" and "The rebranding of capital controls in an era of productive incoherence," presentations at the seminar on "La crisis internacional" at the Universidad Nacional Autónoma de México (UNAM), Coyoacán, Mexico; February 4-5, 2014.

"The resurrection and renormalization of capital controls in an age of crisis," presentation at the panel on "Capital account and domestic prudential regulations as counter-cyclical tools" at a session of the annual Eastern Economics Association Conference, NY, NY, May 9-11, 2013.

"The rebranding of capital controls in an era of productive incoherence," presentation at the panel on "Capital controls and the global financial crisis" at a session of the annual International Studies Association Conference, San Francisco, CA, April 3-6, 2013.

"Developmental financial architectures and the global financial crisis," presentation at the panel on "Political economy of emerging market development banks" at a session of the annual International Studies Association Conference, San Francisco, CA, April 3-6, 2013

"Promising avenues, false starts and dead ends: Global governance and development finance in the wake of the crisis," presentation at the panel on "Global governance and policy responses," at a session of the conference on "Critical perspectives on financial and economic crises: Why gender matters"; conference co-sponsored by UN Women and the International Association for Feminist Economics, held at UN Women, NY, NY, January 21-22, 2013.

"The Financial Crisis and the Rise of New Developmental Financial Architectures," presentation at a session on "Integrating Real and Financial Determinants of Economic Crisis," at the URPE at ASSA conference, San Diego, CA, January 5, 2013.

"Guiding Principles for Global Economic Governance," remarks delivered at the "Post-2015 Expert Group Meeting," Center for Women's Global Leadership, Rutgers University, New Brunswick, NJ, December 13-14, 2012.

"Making Sense Out of the Global Financial Disorder," lecture to Café Scientifique II-Denver, November 20, 2012.

"Not your Father's Crisis: Productive Incoherence, Developmental Policy Space, and the Global South," remarks delivered as the University Lecture (University of Denver), May 3, 2012.

“Dynamic Capital Controls, IMF Irrelevance and the Crisis,” presentation to the Pardee Center for the Study of the Longer-Range Future, Task Force on Regulating Global Capital Flows for Long-Run Development, Boston University, September 16, 2011 (task force meeting), March 8, 2012 (task force report launch), and a session on “Capital Controls, Macroprudential Policies and Financial Stability” at the Eastern Economics Association conference, Boston, MA, March 9, 2012.

“The Global Financial Architecture: Fissures and Institutional Lacunae,” presentation at a roundtable on “The Global Financial Crisis and Financial Governance” at the conference on “Re-thinking Economics in a Time of Economic Distress,” International Confederation of Associations for Pluralism in Economics, University of Massachusetts-Amherst, USA, November 12, 2011.

“The Crisis and Development Policies,” presentation at a roundtable on “The Crisis and the Economics Profession” at the conference on “Economists of Tomorrow,” Association for Heterodox Economics, Nottingham Trent University, Nottingham, UK, July 9, 2011.

“Reflections on the Crisis, Development and Global Financial Governance,” presentation at the University of Crete-Rethymno, Department of Economics, Rethymno, Greece, May 25, 2011.

“Development Policies After the Great Crisis,” presentation at a roundtable on “What Economics Needs: Past and Future” at the Association for Social Economics at ASSA conference, Denver, CO, January 8, 2011, the University of Utah-Salt Lake City, Department of Economics, February 11, 2011, and the St. Andrew’s Economic Forum 2011, “Emerging Markets: Can You Hear the Beat of Our Global Economy?” St. Andrews University, Scotland, April 15-17, 2011.

“Not Your Grandfather’s IMF,” presentation at a session on “New Thinking in Economics: The Theoretical Premise” at the Association for Evolutionary Economics at ASSA conference, Denver, CO, January 9, 2011.

“Not Your Grandfather’s IMF: Global Crisis, ‘Productive Incoherence’ and Developmental Policy Space,” presentation at the Seventy-Fifth Anniversary of the Central Bank of the Argentine Republic, Annual Monetary and Banking Conference 2010, “Monetary Policy, Financial Regulation and the Macroeconomy under Financial Globalisation: Lessons and Challenges Arising Out of the Present-Day Crisis,” Buenos Aires, Argentina, September 2-3, 2010.

“Not Your Grandfather’s IMF: The Emergence of Policy Space for Development,” presentation at the conference on “The Developmental State: Crisis and Renewal,” Federal University of Rio de Janeiro, Rio de Janeiro, Brazil, June 10-11, 2010; “The Effect of Crisis on Distribution,” New School for Social Research, New York City, USA, March 5, 2010; and at the Political Economy Research Institute of the University of Massachusetts-Amherst, USA, May, 4, 2010.

“Productive Incoherence in an Uncertain World: Financial Governance, Policy Space and

Development After the Global Crisis," presentation at the conference on "Reforming the Financial System: Proposals, Constraints and New Directions," International Development Economics Associates, Muttukadu, India, January 25-27, 2010.

"Productive Incoherence in an Uncertain World: Financial Governance, Policy Space and Development After the Global Crisis," presentation at the conference on "Global Implications of the Financial Crisis," Cornell University, Department of Government, October 31, 2009.

"Financial Systems and Economic Development in the 21st Century: Are We All Keynesians Yet?," presentation at the conference on "21st Century Keynesianism" at the conference on "Developments in Economic Theory and Policy," University of the Basque Country, Bilbao, Spain, July 2-3, 2009.

"Financial Systems and Economic Development in the 21st Century: Are We All Keynesians Yet?," presentation at the conference on "21st Century Keynesianism" at the University of London, SOAS, May 8, 2009.

"The Political Economy of Remittances: What Do We Know? What Do We Need to Know,?" presentation at a session on "Economics When People Matter" at the AFIT at WSSA conference, Albuquerque, NM, April 16, 2009.

"Remittances: Political Economy and Developmental Implications," presentation at a session on "Ethnic Enclaves, Remittances, and Progressive Policy" at the URPE at ASSA conference, San Francisco, CA, January 4, 2009.

"Cementing Neo-liberalism: The Political Economy of Bilateral Trade and Investment Agreements," presentation at the conference on "Markets as Means or Master? 'Neo-developmentalism' vs. Neoliberalism," Mount Holyoke College, South Hadley, Massachusetts, November 14-16, 2008.

"The Political Economy of Remittances," presentation at the conference on "Financing Development: Where Do We Find the Money?," Laurentian University, Sudbury, Ontario, October 17-18, 2008.

"Neo-liberal Finance and Third World (Mal)Development," presentation at a session on "Heterodox Macroeconomic Policy" at the conference on "Rebellious Macroeconomics: Marx, Keynes and Crotty" to celebrate James Crotty, Political Economy Research Institute, University of Massachusetts-Amherst, October 19-20, 2007.

"The Developmental Potential and Political Economy of Remittances: What Do We Know, What Do We Need to Know," presentation at the conference "Finance, Industry and Economic Development" to mark Ajit Singh's retirement, Queens College, Cambridge University, Cambridge UK, September 14-16, 2007.

"One Step Forward, Two Steps Back: Policy (In)coherence and Financial Crises," presentation at a session on "Charting the Path Forward: Identifying Policy Alternatives and Regional Financial and Economic Developments" at the Woodrow Wilson International

Center for Scholars conference on “The Tenth Anniversary of the Asian Financial Crisis,” Washington, DC, May 16, 2007.

“Fiscal and Monetary Policies as a Tool for Enhancing Policy Space,” presentation at ActionAid International USA program on “Getting More Doctors, Nurses and Teachers Hired in Developing Countries: An Exploration of Macroeconomic Policies for Social Change Activists,” Washington, DC, March 13-15, 2007.

“Policy Coherence or Conformance? The New World Bank-IMF-WTO Rhetoric on Trade and Investment in Developing Countries,” presentation at a session on “Capital Markets and Policy” at the URPE meetings at the Allied Social Sciences Associations Conference Association, Chicago, IL, January 5-7, 2007.

Participant, Cornell University Money Manuscript Workshop; International Political Economy Program, April 28-30, 2006. Discussion of *Constructing Monetary Interests: Cooperation, Crisis and Change from Bretton Woods to the Age of Globalization* by Wes Wedmeir.

Participant, United Nations Development Program dialogue on Millennium Development Goals-based Research. Discussion held at the Political Economy Research Institute, University of Massachusetts-Amherst, November 19-20, 2005.

“Beyond a Post-Washington Consensus Agenda,” presentation at the Economics Department Seminar series, University of Utah-Salt Lake City, October 21, 2005.

Participant, Cornell University Money Manuscript Workshop; International Political Economy Program, April 29-May 1, 2005. Discussion of *Capital Rules: Institutions and the International Monetary System* by Rawi Abdelal.

“Reclaiming Development from the Washington Consensus,” delivered as the invited Annual Steinhardt Lecture, Economics Department, Lewis and Clark College, Portland, Oregon, March 15, 2005.

Guest lecture, Professor Martin Hart-Lansberg’s International Economics course, Economics Department, Lewis and Clark College, Portland, Oregon, March 16, 2005.

“The Rhetoric of Neo-liberalism: From ‘TINA’ to the End of History,” presentation at a joint session on “In Dispraise of the Neoliberal Great Capitalist Restoration” sponsored by the Association for Social Economics and the Association for Evolutionary Economics at the ASSA conference, Philadelphia, PA, January 7-9, 2005.

“Public Finance and the Taxation of Securities Transactions and International Private Capital Flows,” presentation at a session on “Finance and Development: Institutional Aspects, Developing and Emerging Country Cases” sponsored by the Association for Evolutionary Economics at the ASSA conference, Philadelphia, PA, January 7-9, 2005, .

“The Washington Consensus at Twenty-five,” presentation at the Transatlantic Seminar Series at the Robert Schuman Center for Advanced Studies, European University Institute, Fiesole, Italy, November 8, 2004.

"Reclaiming Development From the Washington Consensus" invited lectures to coincide with the publication of *Reclaiming Development: An Alternative Economic Policy Manual* at events organized in 2004 by the "New Rules for Global Finance Coalition," Washington, DC, June 8; the Friedrich Ebert Foundation-New York Office, June 9; and the Brecht Forum, NYC, June 9. Radio interviews on book: KBOO (90.7 FM; Portland public radio; "Old Mole Variety Hour," host Bill Resnick) aired June 28th; KPFA (94.1 FM; Pacifica Radio show, "Against the Grain)" show devoted to discussion of book, aired October 27 (interview archived www.againstthegrain.org)

"Trip Wires and Speed Bumps: Managing Financial Risks and Reducing the Potential for Financial Crises in Developing Economies," presentation at the session on "Financial Instability in a Global Economy" at the conference on "Can the Recovery be Sustained? US and International Perspectives" at the Levy Institute, Annandale-on-Hudson, NY, April 23-24, 2004.

"Toward a Post-Washington Consensus Agenda," presentation at the session on "After the Washington Consensus: Reclaiming Development" at the Socialist Scholars' Conference, New York City, March 12-14, 2004.

"Trip Wires and Speed Bumps: Managing Financial Risks and Reducing the Potential for Financial Crises in Developing Economies," presentation of findings at the XVIIIth Technical Group Meeting of the G-24 in Geneva, Switzerland, March 8-9, 2004.

"Development Policies in a Post-Neoliberal World," presentation at a joint session of the Political Economy Seminar series, Department of Economics, University of Massachusetts-Amherst and the conference on "Marxism and the World Stage"; Nov. 6-8, 2003,

Guest lecture, "The IMF and World Bank: Origins, Operation and Controversy," Professor Roscoe Hill's course on "Social Justice," University of Denver, October 27, 2003.

"The Revenue and Double Dividend Potential of Taxes on International Private Capital Flows and Securities Transactions," presentation of findings at the World Institute for Development Economics Research (WIDER)/United Nations University meeting on "Innovative Sources of Development Finance," Helsinki, Finland, May 16-17 and conference on "Sharing Global Prosperity" on September 6-7, 2003.
